The First Sign

Of failing health, whether in the form of Night Sweats and Hervousness, or in a sense of General Wartiness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation strength to the enfeebled system, promoting the digestion and assimilation of food, restoring the narvous forces to their normal condition, and for purifying, enriching, and vitalizin, the blood.

Failing Health. Ten years ago my health began to fail.

I was troubled with a distressing Cou the Night Sweats, Weakness, and Nervou ness. I tried various remedies prescribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever. — Mrs. E. L. Williams, Alexandris, Minn.

I have used Ayer's Sareaparills, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, M. D., D. B., Greenville, Tenn.

Dyspensia Cured. It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began tal I g Ayer's Sarsaparilla. I was under the care of various physicians, and tried a great many kinds of medicines, but never obtained more than temporary relief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duties more perfectly. To-day my health is completely restored.—Mary Harley, Springfield, Mass.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It tones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood purifier yet discovered.—H. D. Johnson, 383 Atlantic avenue, Brooklyn, N. Y.
